INTRODUCTION

Welcome to At Home with God series 2.

This workbook is designed to accompany series 2 of At Home with God TV series. The series is being shown live for ten weeks, every Wednesday at 8pm starting on Wednesday 8th January. Each episode will then be repeated on the following days:

Fridays at 10:05am Saturdays at 11:00am Tuesday at 5.30pm (All times are UK based.)

Available TBNUK on Channel 65 (Freeview) and TBNUK on Channel 582 (Sky). It can also be watched live online at the TBN UK website.

Shows will also be available on demand on the tbnuk.org, the week after it first airs.

What's in the workbook?

The workbook is made up of ten sessions, running alongside series 2 of At Home with God:

1. Keeping God at the centre of your family
2. Children and the prophetic
3. Helping our children develop discernment
4. Faith and your child's school
5. Creative ways to teach the Word
6. Facing the character issue
7. The faith journey
8. Preparing children for their calling
9. Leaning on the wider church community
10. Navigating the digital world.

Each session is made up of three parts taught using three different mediums:

1. Notes

In this workbook, there is space for you to make your notes on the teaching as you work through the programs on the TV. Each session lasts for around 30 minutes.

2. Points to Ponder

These discussion questions are designed to help you reflect on the teaching and how it applies in your family. You can discuss these as a group, in pairs or use the space for personal reflection if you are going through this workbook on your own. Depending on the group the discussions will take up to 30 minutes, so you should set aside one hour together for each session.

3. Practical

After each session's teaching, there is a page for you to try some of the principles in your own family.

Why not pair up with another family so that you can reflect together on each other's practical performance. As such we have left space each week for you to comment and encourage each other in your family

How can we use this workbook?

This workbook is designed to be very flexible to fit around the unique circumstances in your church/home.

Here are some suggestions of how you may choose to use it:

- a. Work through the course with a group of other parents doing one session a week or one session a month together.
- b. Run the course over five evenings, covering two sessions each evening. If you work through them in order you will find each evening has a practical and a spiritual session.
- c. Work through the course as an individual or in pairs. For the discussions section, you can reflect privately on the questions given and for the practical parts work alongside your partner or speak to a close family member who you are able to talk through your progress as you try to bring God even more central into your home.

Once the series is over this workbook should prove a valuable resource, together with the comments in the practical session to enable you to continue to develop as a parent.

Being a parent is a great privilege. My prayer is that as you make the small adjustments that need to be made within your family to see God more central in your home, you will start to see a change in your children's walk as well as your own walk with God. Do not be discouraged if miracles don't happen overnight but keep praying and persevering and I know that God will bless your family.

I pray that you will enjoy the course and be enriched by it.

God bless you,

Helen Goldenberg
